Hi Joe,

I understand. Duty calls. Here are the notes for today. There might be something of interest since you are going to Rimini.

See you on the 20th for the Barker FS meeting and on the 24th for our biweekly meeting.

Thanks.

K

Hi, Karen:

I need to cancel our meeting this morning. Bill Murray is in town, and we are going to take a quick trip up to Rimini. Please let me know if there are any pressing issues. Otherwise, I'll see you in a couple of weeks.

Thank you,

Joe
